**FOR IMMEDIATE RELEASE** -- February 27, 2009 -- Marron Foods, a Durand, WI company, is voluntarily recalling approximately 140 cases of Non Fat Dry Milk that may contain a piece of metal that came off the packaging equipment which was discovered as part of regular maintenance.

Swallowing fragments of metal may constitute a choking hazard.

Product was distributed in Safeway Food stores nationally.

The following products are subject to recall:

Safeway Instant Non Fat Dry Milk, 25.6 oz Box.  
UPC code # 2113038511

The following code dates are printed on the top of each box:

BEST BEFORE FEB-12,10  
55-343 043

BEST BEFORE FEB-13,10  
55-343 044

Consumers can return product with these production dates to the store they purchased it from for a refund.

There have been no reported injuries.

Consumers who may have questions or concerns regarding this matter can be directed to Matt Pearson at 914-967-2442.
